SHEPHERD'S BUSH

In the exciting neighbourhood of West London, founder Keith Knowles unlocked the doors to Shepherds Bush Belushi's in 2000, anchoring the venue in the pulsating heart of the area. Just steps away from the busy Shepherds Bush underground and a stone's throw from the iconic Westfield London Shopping centre, it quickly became cherished by locals and visitors alike.

Descending below ground level, guests can find a private meeting room designed to accommodate up to 15, providing an ideal setting for fostering productivity and collaboration. Ascending to the main floor, patrons encounter distinctive caged booths equipped with personal screens and spacious seating. Guests can find an extensive wrap around bar and HD screens positioned for optimal visibility from every seat. Step outside to the charming outdoor space, an urban oasis amidst the bustling cityscape.
