BARCELONA

Just 100 metres from the main tube station and the airport bus hub, our venue is surrounded by all the amenities of Barcelona's thriving city centre.

Our spacious back room is equipped with several screens and projectors, with capacity for 250 people, making it ideal for hosting corporate meetings and conferences. As the official 2023 Rugby World Cup venue in Barcelona, it also served as the setting for Asahi's commercial adverts during the event.

Established in 2012, we've carried out several renovations to expand and improve both the bar and backroom area. More than a decade later, we're still going strong and proud of the welcoming space we've created.

The venue features 14 ultra-high-definition screens covering every corner and table, complemented by two cinema-sized projector screens positioned at either side of the back room. All of this is enhanced by our top-of-the-line audio system.

Our food offering is just as impressive, with famous burgers, unbeatable wing deals, and a selection of tapas that bring a Spanish touch. There are also plenty of options for the vegetarian and vegan community.

MAIN ROOM

Get your drinks at the bar and join everybody at our main room, a massive vibrant space surrounded by huge HD screens and crowned by two giant projector screens, all supported by a top of the range sound system.

Don't want to spend your time in Barcelona indoors? The main room also has 2 beer gardens to enjoy the weather and the sunshine you came looking for. Whether it is to host a work conference, to watch the champions league finals or to dance with your friends to our DJs, the backroom always has space for you!
